

Transmission Company of Nigeria

MEMORANDUM

Date: 18th October, 2024

From: General Manager (SO)
CHQ Abuja

To: All Stake holders.

Ref: TCN/GM(SO)/110.00/134/2024

DECLARATION OF FORCE MAJEURE ON ITAM AND ITU 33KV FEEDERS

SO has established the validity of the claims by PHEDC on the request to have Force Majeure declared on the above named feeders, expressed via a memo referenced RC 63702, dated 2nd September, 2024

Investigation was carried out by SO and the following points made by PH DisCo were found to be valid.

- i. Non-payment of Electricity Bills by the Itam Oku iboku communities.
- ii. Restricted Access to Transmission Station to both TCN and PH DisCo staff.
- iii. Safety Threats to Personnel of both TCN and PH DisCo Staff
- iv. Unregulated Energy Allocation.

Consequently, Force Majeure is hereby declared on Itam and Itu 33kV feeders effective from the 17th of September, 2024.

This is for your information and necessary action.
